### **Access Card FAQ's:**

1. There are fields to enter both the Social Security Number and the Driver's License. Do I need both? **NO** - you must use the cardholder's Social Security Number to activate and load the card
2. Can I use a P.O. Box in the address field? **NO** – You must use a physical street address
3. What is the minimum age for an Access Card user? A cardholder must be 15 years old to get an Access Card to use.
4. I want to get an Access Card for my son/daughter etc. Can I put my information on the card? **NO** – Access Cards must be registered in the name of the person who will be using it. This person is responsible for all transactions associated with the card.
