JULY 2020

HEARTLAND CLUB UPDATE !!!

Our world has truly changed since our last newsletter in February with COVID-19. We have all had to make adjustments in our daily activities both at work and at home. This has also affected the travel industry in many ways. We have spoken with Pat Wackershauser from D & D Custom Travel; these are the changes at this time for motorcoach traveling:

- limited passengers on the motorcoach, spacing the passengers every other seat
- restaurants not open or offering buffet service
- seating in the theaters social distancing
- venues and attractions are currently closed – still in planning stages of reopening
- additional cleaning of the motorcoach during the trip

After this discussion with Pat Wackershauser, we have decided to **CANCEL** our trips for 2020:

August 19 - Celebration Belle / Keys & Country Tribute

December 2 - The Fireside Theater / Holiday Inn

Our #1 priority in making this decision is the safety of you, our friends, and customers of Farmers Savings Bank's Heartland Club.

We have enjoyed our travels since 1993 when Farmers Savings Bank introduced "The Heartland Club" to our customers. During the past 26 years we have traveled together to beautiful parts of the country, seen some outstanding sites and landmarks and watched some wonderful shows and plays. December 31, 2020 marks the end of "The Heartland Club" for Farmers Savings Bank. We will truly cherish the friendships we have made these past years.

Stay safe and Healthy – we hope to see you soon!!
