Letter from the Chairman . . .

Farmers Savings Bank is excited about the New Year "2019". We will be celebrating our 102nd year as a community bank. Farmers Savings Bank continues to invest in technology that provides customers faster access to their money via their phones, tablets or computers. We are also currently reviewing the possibility of offering "instant issue debit cards" which will drastically reduce the wait time for your card.

There are several factors that distinguish us as a real community bank. First, we are locally operated. Decisions are made by staff that knows you and cares about your needs. Second, there is local on-site control over all services, products, loan approvals, and interest rates. Third, our bank deposits are invested back into the communities in the form of business and personal loans. Finally, we are dedicated to the communities we serve in order to make them a better place to live and work. We are proud of our community banking tradition.

We look forward to serving you in 2019 and appreciate your continued trust and loyalty.

Mary Jo Ceniti Chairman of the Board
